

Swing from the Heart 33rd Annual Golf Tournament Sponsorship

Saturday, July 6th

The community thanks you!

To all the businesses that have generously committed to sponsorships, on behalf of the community and the hospital, we thank you!

We are stepping up our game with the Swing from the Heart 33rd Annual Golf Tournament so we can fund equipment that Lady Minto Hospital needs for the new Emergency Department. Our goal is to purchase a Defibrillator Crash Cart system for \$30,000. This life-saving piece of equipment can restart a heart and save your life.
